President Ron Miguel
San Francisco Planning Commission
1650 Mission Street, Suite 400
San Francisco, CA 94103

Dear President Miguel and Members of the Planning Commission,

I am a neighborhood business and I support California Pacific Medical Center's proposal for a new hospital on Van Ness Avenue. This location is close to my business, and I look forward to the improvements they will bring to the neighborhood. The new construction will bring jobs, and the new hospital will bring even more jobs. We need positive development projects like this to help our local economy.

Please approve the California Pacific Medical Center hospital rebuild project.

Sincerely,
