Dear President Miguel and Members of the Planning Commission

I am a small business owner of Express Print, at 1410 Franklin Street, between Sutter and Bush. I have heard for many years about the California Pacific Medical Center rebuild project in our neighborhood, and I am very supportive of this addition. I write to you today to support the California Pacific Medical Center rebuild. Our neighborhood is a high-density neighborhood, with many seniors, children, low-income people, and a very mixed community. This is a great location for a hospital, and I hope that you can approve this project.

Sincerely,
