CPMC Van Ness & Geary Campus - Notice of Utility Investigation Work

Dear Neighbor,

Starting on February 8, 2012, California Pacific Medical Center (CPMC) will begin work to locate existing underground utilities around the proposed CPMC Van Ness & Geary campus. We will use a vacuum excavation process to determine the exact location of underground utilities. Excavations will be approximately 8" in diameter. Once utilities have been located and surveyed, we will restore the surface areas to their original condition.

What: **DAYTIME INVESTIGATIVE ACTIVITIES** on Streets, Sidewalks & Intersections

Where: **[See map on reverse side]** Approximately 140 investigative excavations will be made in the streets and sidewalks on Van Ness Avenue, Geary Boulevard, Franklin Street, Post Street and Cedar Alley that border CPMC properties at 1101 Van Ness Avenue and 1100 Van Ness Avenue.

Work Hours: 7:00am to 4:00pm, Monday through Friday
No work will take place on weekends.

Duration: The work will be completed in approximately 6 weeks.

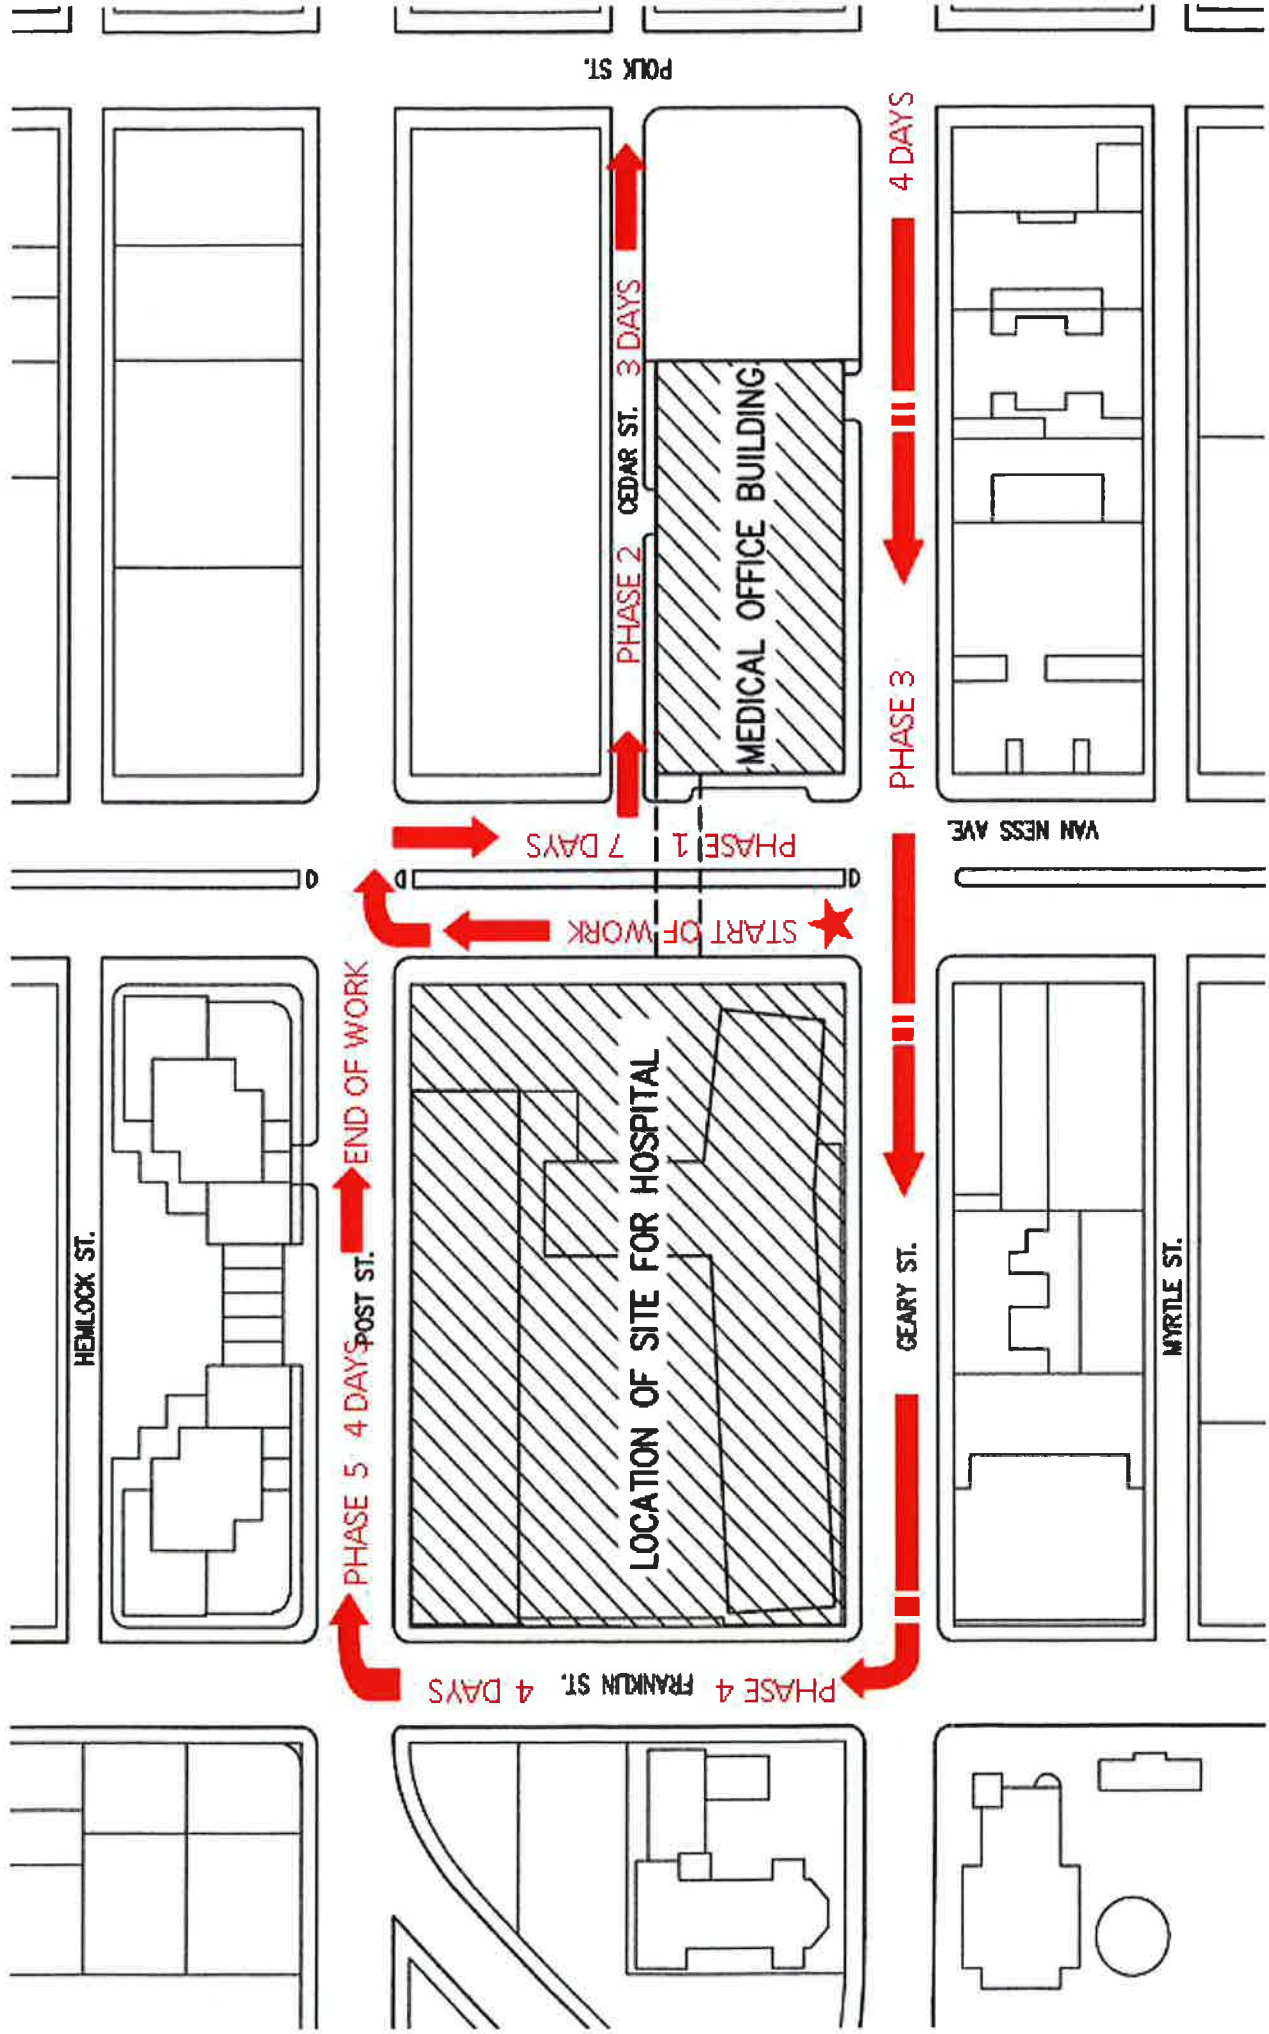

Advisories:

- Temporary (1 day) lane closures, turn restrictions and parking restrictions will be necessary in some areas to perform the work.
- Traffic control personnel and equipment will be used to safely direct drivers around the work zones in order to minimize the disruption to traffic.
- Please obey all posted work signs and do not enter the work zones.
- A contractor supervisor will be on-site at all times during the work.
- Weekly updates will be provided to neighbors adjacent to the work areas.
- Noise levels will be minimal and will be monitored to ensure the work is performed within the levels outlined in the San Francisco Noise Control Ordinance.
- Dust levels will be minimal and will be monitored to ensure the work is performed following Bay Area Air Quality Management District (BAAQMD) recommended control measures.

Work schedules are subject to change due to weather and unforeseen site conditions.
